Upcoming Community Service

The State Department of Education High Core Program/Storefront School teaches at risk youths valuable skills and gives them the tools to succeed in life. The late Ed Tonaki founded Storefront School 46 years ago as an alternative educational and housing outlet aimed at reforming at-risk students. Many of the students are dropouts, runaways, and teens battling drug addiction whose educational progress is severely jeopardized because of poor choices and unfortunate circumstances.

The club has put on a luncheon for these kids for the past 15 years. This year we will provide pizzas, drinks, and sides for their holiday event. In return the students put on a program in which they receive school credit for graduation. The club selects group/groups of students with prizes that the club solicits from vendors in the Wahiawa area.

In our Thoughts

- Zontian Denise Werle's Dad has been ill; Denise recently went to Montana to be care for him.
- On a sad note the passing of Zontian Rene Mansho's husband
- Zontian Karen Foissotte went in for a knee replacement surgery in November.

Service Project Update:

October Service Project: Susan G. Komen Run. There were Zontians and members of the Sacred Hearts Academy who manned the water point for the second year for the Zonta Club of Leilehua.

The race was the 20th annual Susan G. Komen Hawaii Race for the Cure held November 2, 2014, postponed from Oct 20 because of Hurricane Ana. This is a breast cancer awareness 5K or 3.1 mile run. The club manned the only water point of the 5K race. The Safeway Foundation provided the water, and the club provided the cups. The group led by Zontian Linda Weiland showed up in the wee hours of 5 am and earlier for some.
